N. B. The majority of the Regular Nurses of this Agency have had considerable experience in private nursing, in addition to their early training, (several, owing to long practice, being well versed in insane, alcoholic, morphine, and difficult cases of various kinds) and all of them, whether regular or assistant, the recommendation of three physicians as to their habits and proficiency, before being placed on its list. Doctors and patrons will greatly aid the proprietor in his endeavor to have none but satisfactory persons by reporting to his wife (the manager) or himself if disengaged, at the Main Office, should any serious neglect or fault be committed, or overcharge be made, by one of its members while in their employ, and such communications will be at once seen to, and if wished held strictly confidential. As changes, for said reasons, in its staff are occasionally made by him, he guarantees as members, only those sent from his Agency, either direct or through its branch offices, at the time the order for the nurse is given. No attention should be paid to nurses who state that they are members of this Agency, unless endorsed at the Main Office as many represent themselves as such, whose applications have not been received, or whose names through some fault on their part have been removed from its list.

COLTON DENTAL ASSOCIATION EXTRACT TEETH WITHOUT PAIN WITH "COLTON GAS."

TERRACE BATHS,

ALAMEDA.

Old and reliable resort, everything about the place put in first-class condition, and under the former managememt of C. A. Edson, who gives his personal attention to patrons. H. L. Clark is in charge of a large class of beginners and is an excellent instructor.

Hot Salt Porcelain Tub Baths are a great feature of the establishment, in fact everything that the most fastidious could wish may be found at the "Terrace." The water is not filtered, but

COMES PURE AND SPARKLING FROM NATURE'S RESERVOIR.

A large enclosure has been constructed and the water is held at low tide, so you are always sure of a bath, surf bathing is also indulged in at high tide, so one has the choice, either tank or outside surf.

30 minutes from San Francisco, by Narrow-Gauge R. R., to Webster street station in front of premises, or by Broad-Gauge R. R. to Mastick Station, Alameda.

AND HORSE POWERS.

Also, Tanks and all kinds of Pumping Machinery.

Krogh's Patent latest improved self-regulating Windmill, and 1st Premium Horse-Power, for all purposes, such as pumping water, chopping feed, churning, sawing wood, running machinery for manufacturing, mechanical or other purposes.

Our latest improved self-regulating Windmill was patented March 15, 1881; is warranted to be the best wind machine ever invented; very simple in construction, strong and durable; will pump more water than any windmill now in use, and once put up they require no attention whatever except oiling. They are built to withstand and adapt themselves to the fury of the gale as well as to light breezes, and to work steadily **without expense.**

Our Horse-Powers are complete in every detail, and possess every improvement and advantage that can be combined in such machines. They are provided with air-tight, dust-proof, self-oiling journals. Two men can take either of them apart and put them together with ease.

Tanks, Pumps, Pipes, Shafting, Pulleys, etc., furnished to order.

AND

MEDICAL INSTITUTE.

1678 Taylor Street.

This Institution is now open for the treatment of patients by the methods of Compressed and Rarefied Air. Haemospasia of Junod of Paris, while its electrical apparatus certainly, like all its other apparatus, is the finest ever made in the world.

Our air chambers are built of steel, two in number, and will accommodate thirty patients at once, and are certainly the largest in the world, and the second constructed in the United States.

These methods of treatment are endorsed by the most eminent men in modern medicine, both in Europe and America, and offer a positive cure for all conditions of disease without drugs of any kind whatever. All and every kind of Pulmonary Disease, such as Consumption, Asthma, Catarrh, Bronchial Affections, Chronic Pleurisy and Pneumonia and here we desire to emphasize the assertion that we

POSITIVELY CURE CATARRH,

General Debility and Weakness from any cause, Nervous Weakness and Irritability of Women, with all their long train of attendant ills, Headache, Sleeplessness, Want of Appetite, Constipation, and all the thousand ills which result from derangement of Menstrual Function.

Persons afflicted with Rheumatism will here find not only prompt relief but a positive and permanent cure. Paralysis, without organic change, will be promptly cured, and all Blood Diseases, such as Scrofula, Syphilitic Taint, Cancers, Tumors, Etc. And we invite you to come and see that the enormous expense made necessary in construction of this plant will find a sufficient justification in the results that will come to our patrons.

Business men overworked and suffering from Brain Fag will find prompt and complete relief.

One hour in the chamber will be equal to a $100 trip to the mountains.
